Dear Parishioners,

It is hard to believe that an entire generation of Americans has been raised in a society that does not protect the right to life of unborn children. And yet it is so. I was 8 years old when Roe v. Wade was passed. I didn't understand what it meant. Fifty-two million abortions later, I understand all too well.

The link between the ever-growing violence in our culture and abortion is easily seen by the eyes of faith. Blessed Mother Teresa of Calcutta saw it clearly and warned us of it in February 1994 when she wrote:

“America needs no words from me to see how your decision in Roe v. Wade has deformed a great nation. The so-called right to abortion has pitted mothers against their children and women against men. It has sown violence and discord at the heart of the most intimate human relationships. It has aggravated the derogation of the father's role in an increasingly fatherless society. It has portrayed the greatest of gifts—a child—as a competitor, an intrusion, and an inconvenience.”

Blessed Mother Teresa also said, “Any country that accepts abortion, is not teaching its people to love, but to use any violence to get what it wants.”

Prophetic words, aren't they?

If we do not stop abortion, our country will continue down this path of self-destruction. All human life is sacred, that is, from God. It is a gift of immeasurable worth that deserves to be treated with the utmost respect and dignity at all times. We Catholics should do more to end this greatest of evils. Our children's future depends on what we do today to stop this killing of unborn human life.

This Saturday, January 22nd marks the 38th anniversary of Roe v. Wade. Pray, please pray, that it will be the last. God bless you in the week ahead.

Fr. Wilson

PS Please note that Mass on Monday, January 17th (Martin Luther King, Jr. holiday) will be at 7:00 AM.
