*Dear Parishioners,*

Last Sunday, I had the privilege of concelebrating a Mass at the Cathedral for the religious sisters and brothers celebrating jubilee years. One of our sisters was honored: Sr. Mary Brenda Sullivan, RSM, who celebrated 75 years in Religious Life. Sr. Brenda and all the religious sisters and brothers are true heroes of the Church. For centuries, they quietly (and with little thanks) passed on the Faith to countless numbers of people. Priestly vocations were always inspired by the sisters and brothers teaching in schools and CCD programs. The good they accomplished is immeasurable. Yet in recent years, their numbers have diminished and the Church is feeling the loss terribly. Please pray for vocations to the Religious Life. Our Church needs them very much.

Next Sunday at 1:00 PM, thirty-two second grade children from our CCD program will receive Jesus for the first time in Holy Communion. Additionally, we will have our May Crowning Ceremony. It will be a beautiful moment for them, their families and our parish. If you would like to be part of First Communion and our May Crowning Ceremony, please join us at 1:00 PM (but come early—it will be crowded!). If you can't, there will be another opportunity on Sunday, May 16<sup>th</sup> at 1:00 PM as our St. Rose School children receive their First Holy Communion.

As April draws to a close, our hearts turn to Mary. The month of May is dedicated to our Blessed Mother and Catholics are encouraged to increase their prayer to her during this time. At our parish, we will have Rosary & Benediction every Monday evening at 7:00 PM (except 5/31 – Memorial Day). Additionally, we will have a special night in honor of Mary on Friday, May 21<sup>st</sup> with TATIANA. Tatiana is an international sensation who inspires everyone with her gift of faith and song. Please plan to attend her concert—it will be an unforgettable night!!!

The signs of Spring are here: going outside without a coat, trees budding, flowers blooming, the crack of baseball bats—isn't it great?! Now if we could only find a way to make lawn mowers and leaf blowers noiseless! God bless you in the week ahead.
